

PLPA 2024 Annual Dues / Donations

Thank you for joining the PLPA! Your dues and donations help fund the projects and programs sponsored by the PLPA . You can **pay your dues and make donations online at our website PLPA.ORG**. If you'd rather pay your dues or make donations by check, you can still submit the form on our website (plpa.org – click the "Join Renew" link). If instead you prefer to use paper forms, please fill out this form and return it with your payment to:

PLPA
1 North Shore Road
Gloversville, NY 12078

Dues for home/lot owners for 2024 are \$50.00. Annual dues for campers/affiliate members are \$25.00.

Please note that we are including a \$25 surcharge on all full memberships (lot owners) for dues payments AFTER March 31, 2024. If paying after that date (except for new members), please make your payment of \$75.

Donations are always appreciated but not required to become a member of the PLPA. Dues alone don't pay for our lake improvement projects (buoy repair and placement, fish stocking), hiking trail maintenance, or the many other projects and programs we sponsor at the lake. So please consider donating in addition to your dues.
